Friday, 25 February 2022

Dear all members of West Suffolk Wheelers

On behalf of everyone at East Anglian Air Ambulance (EAAA) it is my pleasure to thank for your recent and very generous donation of **£346.00**. Your support is really appreciated by all of us, during what has been such a challenging year for everyone. Please accept this letter as your receipt.

Your support will help us to be there for our patients in their darkest hour and give them the very best chance of survival. Please accept this letter as your receipt.

2021 has been an incredibly eventful year for EAAA where – with the support of people like you – we have been able to push our service forward and make sure that we are continually providing the very best care, whenever we are needed, 24/7 365 days a year. In June we were very proud to start flying 24/7 for the first time and will continue to provide a 24/7 service, by air and by road, over the festive period.

In comparison to last year, we have seen a 10% increase in the number of missions our crews have been tasked to. This reinforces the need for our vital critical care service, which receives no regular government funding and relies on generous donations from the local community. Thanks to your support, our crews are there to respond whenever the red phone rings and are tasked to over 2,600 life-threatening emergencies a year.

Thank you again for your kind support.

Yours sincerely,

**Ben Walker**  
Supporter Engagement Team
